Those that are in the basement are only available to players who are assigned to them gargoyle as their Slayer task.

The Fragile Keys are only dropped if the player has not unlocked access to the roof, does not have one in his bank or inventory, and has gargoyle as his current assassination task. Name Description Difficulty Category A Smashing Time Kill A Gargoyle. Normally, the item should be used on the gargoyle, but players can purchase the "Gargoyle Smasher" from the Slayer Masters masters for 120 kill points, which will automatically crush the gargoyle when it drops to 9 or less hit points, as long as the player has a player. Rock hammer (or equivalent) in your inventory. To kill a gargoyle, you should use a rock hammer, rock shooter, or granite hammer when they hit 9 or less points. Gargoyles can be prepared near the door in the area of the on the upper floor in the tower of Slayer or in the northeast corner of the 3 behind a bucket immA 3 vile on the ground. Due to the amount of cores of the rune element, it is recommended to bring runes of high level alchemistries to reduce the frequency of banking and save the inventory space, the Gargola kill while in a Konar task is worth 5,670.22. DROPS [edit] | Edit source] Jagex provides the following fall rates, unless otherwise specified. [1] The average slaughter slaughter is worth 4,265.13. This article has a Slayer task guide here. Information that compares the locations of Slayer's tasks will be on this page are Slayer monsters located on the upper and basement floor of the Slayer tower, which require 75 Slayer to be damaged. They can be avoided using the agility shortcut in the northeast from the 1st floor [United Kingdom] 2nd floor [United States] up to the 2nd floor [United Kingdom] 3rd floor [United States], although this route takes more. Destroying 100 The number of assigned ganglas is increased to 200-250. The ganglas also have the opportunity to release the fragile key, which gives access to the grotesque guardians at the top of the Slayer tower, a chief variant of the monster. Bigger and Badder 150 increases the risk against certain hunter monsters with the possibility that a superior version spawns while it is in a hunter task. Players can continue to pray to protect themselves from the melting and bring food to heal the damage caused by distance attacks from the marble gangla, or bring a remote switch and pray at a distance to deny all the Damage of the marble gangla. Loop unlocking [edit] | Edit source] Main article: Reward point Slayer Unlocking points cost notes Gargoyle Smasher 120 Gargoyles are automatically distributed the final blow if the player has a rock hammer in his inventory. These higher variants use meek and distance attack styles.
