MNTN is a space technology to produce and present immersive sound in multichannel speaker configurations. Our consultancy services complement MNTN technology with space supervision, development of the artist concept and support of the artist. We have learned from more than one of the practical sound scenery that technology alone is not the key to immersive audience experiences, but as used by sound artists. This is why the MNTN products are projected in the beginning of simplicity. At the same time, MNTN provides exactly the necessary flexibility to adapt to most of the applications and use case scenes in exposure projects. A cold passed him, as if he had been notified that death was approaching. He wanted to question himself, calmly and deliberately, to ask if it had been the sound of the wind, the sound of the sea, or a sound in his ears. But he had not heard sound, I was sure. He had heard the mountain. This is an intricate, poetic and beautiful novel that my clumsy review cannot do justice for. It is highly sensory and satiated all five senses. IeAAAm The sound stopped, and he was suddenly afraid. A chill passed over him, as if he had been notified that death was approaching. He wanted to question himself, calmly and deliberately, to ask whether it had been the sound of the wind, the sound of the sea, or a sound in his ears. But he had heard no such sound, he was sure. He had heard the mountain. This is an intricate, poetic, beautiful novel which my clumsy review cannot do justice to. It is highly sensory and satiates all the five senses. IeAAAm appreciating nature through the experience of Shingo (pampass grass and cherry trees, buntings and sparrows, the seasons and more). Suddenly IeAAAm transported to post-war Japan, right into the Ogata household. IeAAAm there, a witness to the triumphs and tribulations of a three generation family. IeAAAm experiencing Japanese culture and tradition (geishas and Noh masks). IeAAAm taking a train on the Yokosuka line. IeAAAm taking a peak into forbidden love. But first, Ageing A trout in the autumn, abandoning itself to the water. eAAA eAAA Trout swimming down the shallows, not knowing they must die. eAAA At the centre of the book is Shingo Ogata who is in his sixties. He experiences all the trappings of age, grandchildren, white hairs and worst of all, failing memory. All these do not seem to bother him much though. Perhaps the worst reminder of his own senescence was the woman who was growing old beside him, Yasuko. On nights when he was not in good spirits he would be repelled by the sight of the aged flesh with which he had lived for so long. Beyond ageing, Shingo also grapples with the issue of mortality, even as he encounters the deaths of several of his peers, ranging from an enviable death in the arms of a young woman to an ignominious suicide. Family While Shingo is at the centre, it is his family that makes him who he is. The family bond is strong, dominated with a sense of duty, even if favouritism rules. It is This, no matter how polarized, they are irresistibly attracted like a Família. As a patriarch of Família, Shingo assumes personal responsibility for the success of his children's marriages. Relationships Even when the natural climate is good, the human climate is bad. Shingo, the patriarch. Aging, philosopher, patient, yearning, but mother of regret. Yasuko, his wife. e aferences € ! for Yasuko's self-immolation became a career. Fusako, his daughter. Unlocked, not refined, Bitter. Kikuko, his daughter -in-law. Beautiful, pure, refined. But it is more for her. Shuichi, her son. Philanderer. Kinu, the lover. Geisha, a hijack of war, impaired, trying to recover the life she lost. Shingo and Yasuko. Shingo was in love with Yasuko's newest sister and was haunted by his inateable sister's memory, even at the old age. Yasuko was a pronom of consolation, but for his crt: now more than thirty years have passed, and Shingo did not find the marriage an error. A long marriage was not necessarily governed by its origins. But even the other Shingo was not the best choice as suitor, he surpassed Yasuko's beautiful brother -in-law. This was the most complicated and delicate relationship. Between father -in-law and daughter -in-law, it was beautiful in their symbiosis, two souls that naturally fit into each other's void. Oscillating with its sensuality in relation to impropriety, but never crossing this limit. Shingo's attraction by Kikuko was the thing that was not overshadowed by his obsession by Yasuko's sister. Kikuko felt loyalty and affection for Shingo, but, as a substitute for her wandering husband or as a father figure, is not totally clear. Kikuko was for him a window with a dark house. His relatives in his blood were not, as he would like them to be ... his daughter -in-law brought row. Kindness regarding it was a beam siam siam. ... opmet mu rof rarbomosa em lav orvil eteE .ratepretni atnet ele euq ,ognihS ed sohnos sottum [aH ,sioped .ieuep sa euq odivid sam ,saled satium [aH SEASULA E SEROFATEM, sasioe siat ed sezapac mare sonamuh seres so .rasAemoc medop sele ,etnemavon rini es medop sid sootemasac ed sothemanicaler so ,orale oA .E umik moc ihciuhS ed osac o revlossid a ognihS raduju arap las ale, ale moc otrofnoesed od rassepa ,okikE a otamvQ 'etimil mu etsixE, ossi moc solupA Arcse zaf o eAn e arud e ele ,reihum omoc 'adivlovesed etnemlatot o eAn' © Á ale ,ele araf' .okikE moc osoiruc otremaoicaler mu met ognihS ,ognihS ed airAterces ,okikE e ognihS]relops ratlucoc .osac o odnet avatse adnia ele otmauqe ohlif ues ratroba oa ofasend ed o fAAsArtsnomed amu zef ale ,otmatne on]]relops o ajeV [?ele a uoicnuner etnemselpmis uo elied osac oa aiehla etnemlaer avatse ale .ihciuhS e okukik .odassacarf otomasac oirp'Arp ues ed aicn'A Auges an aahlif saud saus e okasuF uogirba ele ,missa adniA .ohnos o o eAn e mumoc o uotneserper ale ,ognihS araP .ratse airedop acnun ele meug moc avon siam eAmri aus ed ,otnatrop ,e okusaY ed eterbmel mu are euq ,etnearta sonem ahlif airp'Arp aus erbos okukik uecerovaf ognihS euq oivb'Á arE .okasuF e ognihS .eled odem ret acierap men ,sosodi sod aigolocisp a moc sairbmos sarutejnoc a uogertne es o eAn okukik ,etrap aus roP .adiv aus arap ednefelleM ed euqot mu rezart ed ,ramim es ed arienam amu arE .otnemalosi
