Photo courtesy: The fans of Chevrolet.com, the fanatics of heavy duty trucks can have fewer options than someone who is shopping for a four-door sedan and compact SUV, but there are still many options. Year after year, Chevrolet has stood out for its affordable, functional and reliable vehicles, and especially your trucks. Since its innovative technology to an incomparable performance, Chevrolet Silverado 2500 HD retakes ahead of its competitors unexpectedly. While also has its downsides, the 2500 HD is still a vehicle that is worth considering, especially if there is a heavy work to do. Reliability that Silverado 2500 HD is built to work. The motorized model can tow up to 17,400 pounds, while the diesel variant can manage an impressive 35,000 pounds. However, when you are dragging a heavy load on a mountain road, you need more than simply towing capacity: you need reliability. Fortunately, with a consumer score of 86 of 100 of JD Power, you can trust that the HD 2500 will not fail when it needs it more. Photo courtesy: Parkwaychevrolet.com in terms of performance, 2500HD comes standard with a 6.6-liter V-8 engine with 401 horsepower and 4 €
