Acknowledgement letter project report

ACKNOWLEDGEMENT

It is always a pleasure to remind the fine people in the MIE University for their sincere guidance I received to uphold my practical as well as laboratory skills in Chemistry.

First of all, thanks to my parent for giving encouragement, enthusiasm and invaluable assistance to me. Without all this, I might not be able to complete this subject properly.

Second, I would like to thank to Dr. Nor Azowa Ibrahim, Deputy Dean (Academic, SA and Alumni Division) for give us the opportunity to undergo industrial training abroad. She also gives me their guidance and support.

Thirdly, I also want to express my deepest thanks to Dr. Norhazlin Zainuddin as industry training advisory for Chemistry Department that has helped me a lot in dealing with industrial training placement. She had supported to me by showing different method of information collection about the University. She helped all time when we needed and she gave right direction toward completion of project.

Besides, I would like to thank Prof Takashi Mshima (Head and Senior Lecturer/Department of Bioresearch), Koutatsu Sakakura, Budi santoso, Toshihito Yuri, and also Shigetaro Arita (Teaching Assistant) of Bioresearch Laboratory for extending their friendship towards me and making a pleasure-training environment in the Bioresearch Laboratory.

Thanks also to Miss Mika Deguchi as a person in charge of international relations office of Mie University which has helped to manage matters related to this training industry. A paper is not enough for me too express the support and guidance I received from them almost for all the work I did there.

Finally I apologize all other unnamed who helped me in various ways to have a good training.
