Lots of laughter, fish and beautiful scenery. He has a great personality. Islamorada is an important stage in Tarpon's migration along the eastern coast and around the gulf. Todd is super personable, extremely competent and useful in teaching us a new way of fishing. We brought home so many fish and we also saw a great fauna of sharks and rays while we were there. I'm here all year. The offshore waters are a short distance by boat keep fish all year round. Marina of Bud N Mary And where would a list of Islamorada without the famous Bud N Mary's! Home of most of our guides in Islamorada, this famous marina will be your number one stop. He originally booked Todd by half coastal and half-way offshore. Shallow apartments and country bays have inspired legendary stories for generations. We caught quickly as a very good teacher as well. Filling the freezer with delicious fish filets was never easier. Further away offshore, flybridge sportfishers and center console troll, deep trop, and kite fish all under the sun. Islamorada Tides and Weather View Islamorada timelines and tidal graphs here and Islamorada weather forecast here. Islands, sandbanks and apartments divide countless basins and bays.
