Love, Hate and Cruelty in Wuthering Heights

Wuthering Heights written by Emily Bronte, was a novel filled with many emotions and activity. Her characters represent an on going conflict between love and hate. Upon the publication of the book articles and reviews were written regarding Brontes novel. Following her death some of these were recovered such as the following written January 15 1848: " In Wuthering Heights the reader is shocked, disgusted, almost sickened by details of cruelty, [inhumanity](#) and the most diabolical hate and vengeance, and anon come passages of powerful testimony to the supreme power of love-

even over demons in the human form. The women in the book are of a strange fiendish-angelic nature tantalizing and terrible, and the men are indescribable out of the book itself. " The critic fills my complete expectations for what a review of this book should be. It is, in a sense, a [blending](#) of elements that make the book what it is. Both atmosphere and characters are filled with a mystery that keeps the reader drawn to the book.

One of the main elements of the story that is mentioned in the review is cruelty. Cruelty has helped form some of the characters to be what they are. When a young Heathcliff is brought into the Earnshaw family, he is instantly disliked by Hindley Earnshaw. Hindley hates Heathcliff for intruding onto his family. He loses his father's love and sets out to destroy Heathcliff. Within Catherine's diary was written: " I wish my father were back again. Hindley is a detestable [substitute](#)-his conduct to Heathcliff is atrocious. " (25) Hindley's hate toward Heathcliff is...

... the review suggests shocking and disgusting displays of human nature. One could not be more shocked than the idea of removing a corpse from its grave to fulfill an undying love.

The book ends as Heathcliff dies. We can see that the novel revolved around his life. He stands in the end unredeemed. His soul was forever locked in between his love for Catherine and his hate for the rest.

Wuthering Heights can have a different interpretation by anyone who reads

it. There are the evident struggles between love and hate, and as we can see through the end, love is stronger than hate.
