## Same-Sex Marriages

Same-Sex Marriages (Should it be allowed? Should it involve children?) “If a man lies with a man as one lies with a woman, both of them have done what is detestable. They must be put to death; their blood will be on their heads.”- Leviticus 20:13. “Do you not know that the wicked will not inherit the kingdom of God? Do not be deceived: .....homosexual offenders.....will not inherit the kingdom of God.”- 1 [Corinthians](#) 6:9-10. “Do not lie with a man as one [lies](#) with a woman; that is detestable.”-Leviticus 18:22. According to the Bible same-sex marriages would be immoral and sinful. Being gay and loving another person is certainly not illegal, but [uniting](#) that couple in marriage is not only rejected by most of society but also by Judaism, Christianity and Islam. As a Christian I find same-sex marriages unacceptable, but I know that not all people believe in the Bible and we do have freedom of religion in the US . Courts in Hawaii would not allow same-sex marriages and that is now being looked at as unconstitutional. Not allowing the marriages discriminates against certain groups that are United States citizens and that is unconstitutional. Even though I don't approve of same-sex marriages, according to our laws there is really no reason why the marriages shouldn't take place. But I do think there should be limitations. Marriages of the same-sex should not involve children. There is no natural way that two

people of the same-sex could possibly have children of their own and should not be given custody of a child or the ability to adopt a child. Governor Wilson, California republican is proposing to ban "Second-parent adoptions, which in the past have been approved. These regulations would require marital status to be given to the Department of Social Services. I don't believe that gay parents will cause such a child to be gay. But all things being equal, I do believe that child is being deprived of crucial, necessary two-sex ingredients essential in parenting. That it takes a man and a woman to produce that third person is the most basic proof that a child needs both a mommy and a daddy.

Children who have parents of the same-sex would be unbearable harassed by other children and considered an outcast. An innocent child put in a situation that would be emotionally stressful for most of their youth-there is no need.
