## Social Deviance in Bartleby the Scrivener

Bartleby the Scrivener is a story that takes place on Wall Street, peopled by workers of a common mold. Being a non-conformist of the most extreme type, Bartleby is eventually suffers a death of attrition. The message that Melville intends for the reader is how society has little tolerance for social deviance.

I mentioned a common mold, the engine which impelled the "society" of [Wall Street](#) to keep on existing. This common mold consists of working a full day, going home and relax, possibly drinking some beer

or whatnot.

This is where the theme of ostracization of social deviance comes into play, expressed in the metaphor of individual versus society. Those who do not fit into the common mold are pressured to change or are removed forcibly. [Bartleby](#) is an example of a character that doesn't fit anywhere even near the mold...
