Myne Owne Ground

Anthony Johnson was a black man who arrived in Virginia around 1621 and was purchased to work as a slave in the tobacco fields of the Bennett Plantation. At that time he was merely known as "Antonio a Negro", as it wasn't common for black slaves to have last names. On March 22nd, 1622, an Indian attack on the Bennett [plantation](#) left only 12 surviving slaves, one of them being Anthony. In that same year a woman named Mary arrived at the plantation. Being that she was the only woman living at the Bennett plantation in 1625, Anthony could be considered fortunate to have received her as his wife. Together they had at least four children. It isn't known how Anthony received his full name of Anthony Johnson, but the time that it is believed that this happened leaves some [clues](#) for speculation. It is presumed that someone named Johnson helped Anthony and his wife escape to freedom, apparently sometime between 1625 and 1650. In the 1640's it is believed that Anthony and his family owned a small farm in Northampton where they raised livestock, which was mostly des...
