## Huckleberry Finn - Moral Choices

There were many heroes in the literature that has been read. Many have been courageous and showed their character through tough times. Through these tough times they were forced to make important decisions and this is where you get the real idea of who is deserved to be called a hero. The most influential though of all these was Huckleberry Finn. Through the innocence of childhood he is able to break through the societal pressures that are brought on him and do right.

In Mark Twain's The [Adventures of Huckleberry Finn](#) you meet a rebellious young teen named Huck Finn. Huck is not your everyday hero especially in the beginning of the novel but slowly through the story his [mature](#), responsible side comes out and he shows that he truly is the epitome of a hero. Huck is forced to make many crucial decisions, which could get him in serious trouble if not get him killed. Huck has natural intelligence, has street smarts, which are helpful along his adventure, and is assertive. Huck has always had to rely on himself to get through things because he is from the lowest levels of white society

and his dad is known more or less as the `town drunk." So when Huck fakes his death and runs away to live on an island he is faced with yet another problem, which revolves around the controversial issue of the time of racism.

While living on the island he meets Jim who was a slave but Huck soon learns that he has ran off and now in the process of making his way up north to Canada. Here Huck is faced along with his first tough decision, to go with Jim and help him, or just go and tell the officials of a runaway slave and get the reward. Huck reluctantly joins Jim and promises him to get him to free land for the sake of a good adventure but he still feels guilty to be conversing with a runaway slave let alone help him escape. Along the way Huck has many challenges, which are just like this one. This is truly remarkable for a child to be able to break away from the influence of society and go with his heart and do what is right especially when it was considered wrong.
