What a fantastic idea
mr. darkshines!

I think everyone should
write by hand for the
rest of this thread.

this is my handwriting
with a black parker
fountain pen.

Today I went on a
 walk with Mom! We
 went on an awesome
 trail, but Mom
 wouldn't let me go
 as far as I wanted.
 We heard bird
 noises and we
 recorded some. We
 really wanted to
 find out what bird

How do you keep the brush feather? This question is right in the line of this: Do you need to have a good letter to be good at calligraphy? Brush lyrics: CALIGRAPHY CREATED WITH BRUSH BOLD, which have a flexible tip needed to achieve the sluts of thin and thick letters. It is not a kind of thing at one time. This is something you will need to continue working on it. The literal meaning of the calligraphy is "written" written ". As mentioned above, the calligraphy is composed of A ç à, A" Straves. "Light pressure for ascending waters (when it is moving the pen up) and the strong pressure for the tricks (when the feather is moving up). Sometimes it looks like a chicken hack. The two main things in which you need to get used when it comes to calligraphy: ascending waters = pressed à é
